### **DETAILED ACTION**

1. This action is responsive to amendment filed 09/28/04.
2. Claims 1-19 are pending in the application.

### ***Reasons for Allowance***

3. Claims 1-19 are allowed.

The following is an examiner's statement of reasons for allowance:

Claim 1, the prior art does not teach obtaining 3D shape data representing a 3D shape model of an actual object; receiving a designation of an omitted portion of the 3D shape, the omitted portion being included in the obtained 3D shape data and being a portion where original 3D shape data representing the actual object is omitted; displaying the 3D shape and a curved surface to be joined to the designated omitted portion, a shape of the curved surface being defined by one parameter; modifying a shape of the curved surface so as to fit to the 3D shape by changing the parameter value; displaying the modified curved surface with conforming to the omitted portion of the 3D shape model.

Claims 10 and 17, the prior art does not teach displaying a 3D shape model having a portion of the original 3D shape data omitted and a curve surface model to be joined to the 3D shape at a portion corresponding to where the portion of the original 3D shape data has been omitted, a shape of the curve surface model being defined by at least one parameter; obtaining only one parameter value that is instructed to be changed by an operator; modifying the shape of the displayed curve surface model based on the obtained parameter value.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
